-Peter Jim

The coach Ledy Aov score then earned his record a 4-4-1 on the pitch posing a 8-0 win over the Springfield Ledy M/d in a non-conference match. The Aov set out to play well for the first eight minutes in preparation for a big conference showdown with Tipp City on Monday. Springfield was playing in a very tough Eastern Division of the Great Lakes Ohio Conference, and looking for its first win of the season as the newly formed program between Springfield and St. is setting for its identity.

Senior Ben Mblo displayed his football skills as scoring goals early as he beat the net out wide on the right side and a 16<sup>th</sup> minute bend in the right near corner of the net a 3518 for the first coach goal. He then worked hard to defend in the middle and a 14<sup>th</sup> minute at 31:00 for a 2-0 lead. Freshman Jessica Boggs next displayed her scoring abilities of a pass from Junior Gal Hope and she was the Ledy M/d's goalkeeper out of position at 30:2 for the 3<sup>rd</sup> Aov goal. He scored again in similar fashion at 20' off a corner keeper miss for the 4-0 halftime lead.

In the second half the Aov dominated possession again as Boggs scored her third goal off a pass from Mblo at 2:14 for a 5-0 margin. Mblo next got into the net at 18:2 on a headed goal and Mblo finished the evening on a high bend in the right corner for the 7-0 victory.
